# Giới thiệu

Vẻ đẹp của gỗ luôn là nguồn cảm hứng bất tận cho mỗi bộ sưu tập của KES Group. Chúng tôi mong muốn cung cấp các giải pháp tối ưu về gỗ công nghiệp, tạo nên những giây phút hạnh phúc trong không gian sống của mỗi gia đình Việt, cân bằng giữa vô hạn và hữu hạn một cách bền vững. Sản phẩm của KES Group được sản xuất theo quy trình hiện đại chuẩn Châu Âu, nhưng trong hồn cốt sản phẩm vẫn bật lên chất thô mộc từ vân gỗ cùng những đường nét hoa văn tinh tế uyển chuyển phù hợp với thị hiếu người tiêu dùng.

Phát triển bền vững từ những năm 2000, Tập đoàn Kim Tín đã liên tục mở rộng quy mô kinh doanh trở thành một trong những doanh nghiệp đa ngành lớn nhất Việt Nam. Đối với ngành gỗ, chúng tôi tự hào giới thiệu thương hiệu KES – Tập đoàn duy nhất tại Việt Nam sở hữu chuỗi sản xuất khép kín từ gỗ công nghiệp đến các sản phẩm sau gỗ.

Hãy thử chạm vào bề mặt sản phẩm để cảm nhận được thiên nhiên luôn tồn tại, sinh sôi và nảy nở.
